Maximum number of days that can pass after completing budgeting, before a procuring entity submits its annual procurement plan to PPRA

By Joseph Muhozi, Arusha

SPECIAL groups undertaking training to hone their skills on accessing opportunities in public tenders have heard firsthand how entities are eager to see them reap the benefits of preferential treatment enshrined in the public procurement law that facilitates their effective participation, TPJ can report.

During closing of their training, which was part of social corporate responsibility activities of the Public Procurement Week in Arusha, the Arusha Council Director, Dr. John Pima, encouraged the groups namely youth, women, elderly and people with disability, to showcase their capability with confidence whenever they seek opportunities in public tenders, because there is genuine desire in public entities to see them succeed and the law wants it.

Arusha Council Director, Dr. John Pima

Dr. Pima said among the requirements on their part was to strive, through consulting others and through training like the one they were at, to possess the knowledge and skills on the basics of tendering

and how to present a responsive tender.

He gave the participants an example of one youth group

Students of procurement and supplies told profession too risky for malpractitioners

By Joseph Muhozi, Arusha

STUDENTS taking procurement and supplies courses at the Institute of Accountancy (IAA) and at Moshi Co-operative University (MOCU) have heard about the danger that awaits

those who joined with a hope that the profession would give them an easier path to ill-gotten riches, TPJ has learnt.

More than six hundred students heard this message when they participated in simultaneous training in both Arusha and Moshi, which was

facilitated by experienced minds on professionalism and ethical conduct in public procurement, as part of the Public Procurement Week activities, on 5 May 2022.

In particular the training, which drew facilitators from public

Continued from Page 1

from Sinoni Ward, which first showcased their capability by volunteering to make desks for Arusha City schools, which enabled the city council to notice that their products were of high quality.

“We soon saw that their desks were of high quality so, we advised them to register and follow the procedures provided for in the public procurement law to be listed as special group,” said Dr. Pima, adding that they ended up winning the tender fairly. “They are now supplying high-quality desks and chairs for our schools through a tender that is worth more than 400 Million/-,” he said.

Dr. Pima went on to call upon the two hundred participants to use the knowledge

obtained from the training and to make sure that their groups get listed as special groups “as this is the only way you are going to be considered eligible to utilize opportunities under special preferences to special groups.”

“The world has changed due to technology, if you are dealing with catering, for example, simply register as a special group and you can bid for public tenders,” said Dr. Pima.

He also took the opportunity to reveal that the Government was providing a soft loan of ten percent in the councils to special groups, in order to boost their capital and enable them bid for tender opportunities of their choice.

Speaking earlier, on behalf of PPRA’s Chief Executive Officer who was also the Chairperson of the Steering

Committee for preparation of the Public Procurement Week, PPRA Acting Director for Capacity Building and Advisory Services, Mr. Castor Komba, said there was need for special groups to focus their minds on winning public tenders as the Government budget has substantial funds for them.

“In this Financial Year for example, a sum of more than 7 trillion/-, has been set aside only for youth, women, elderly and people with disabilities,” said Mr. Komba.

The Public Procurement Week, which was inaugurated by Prime Minister Kassim Majaliwa Majaliwa in Arusha on 5 May 2022, attracted more than one thousand stakeholders from both public and private institutions.

institutions responsible for oversight in public procurement, as part of their corporate social responsibility activities of the first-ever annual event, namely the Ministry of Finance and Planning, PPRA, PPA, PSPTB and GPSA, helped to impress upon the students on the importance of integrity and professional conduct in a sector that consumes a bigger portion of the national budget.

Speaking on behalf of PPRA Chief Executive Officer, Dr. Irene Isaka, who was the chairperson of the Public Procurement Week Organizing Committee, the Acting Director for Capacity Building and Advisory Services, Mr. Castor

Komba, said the training was also meant to sensitize the soon-to-be procurement experts on new technological developments like e-procurement and how they are helping towards efficiency and in curbing malpractices.

During the closing session, MUCO’s Deputy Chancellor for Administration and Finance, Prof. Fredy Kilima, said although the procurement and supplies course attracted many students and probably for different reasons, the participants needed to revisit theirs and resolve towards serving the country with honour and professionalism after their studies, as the consequences for malpractices are quite severe.

“It is our hope that the increase of students who want to take these courses does not

have any relationship with corrupt practices as means towards quick riches, but only with the goal of contributing positively in the development of our country,” said Prof. Kilima, adding that applicable professional code of ethics and laws against malpractices are constantly reviewed to increase the severity of punishment to violators.

The corporate social responsibility activity was proceeded by a three-day stakeholders’ workshop which was held from 5 to 7 May 2022 and attracted more than one thousand procurement participants.

Submission Deadline: 30 May 2022, 16:30hrs

Makala

Ukasimishaji wa majukumu ya ununuzi wa umma

Na Frank Yesaya

Frank Yesaya

KATIKA makala zilizopita tuliona watu, idara, kamati na mamlaka zinazohusika katika kutekeleza majukumu mbalimbali katika mchakato wa ununuzi wa umma.

Baadhi ya majukumu yanapaswa kufanywa na wale tu waliogizwa kwa mujibu wa Sheria ya Ununuzi wa Umma lakini baadhi yanaweza kukasimwa kwa watu, idara, ofisi au taasisi nyingine kwa niaba ya wahusika.

Afisa masuuli anaweza kukasimisha baadhi ya majukumu yake kwa mkuu wa idara au mfanyakazi mwingine katika taasisi. Aidha, anaweza kukasimisha shughuli za ununuzi ikiwemo majukumu yake, bodi ya zabuni, kitengo cha usimamizi wa ununuzi na idara tumizi kwenda kwa ofisi ya taasisi, taasisi nyingine, au kwa wakala wa ununuzi.

A. Sababu za jumla za ukasimishaji

Ukasimishaji wa ununuzi unaweza kufanyika pale ambapo: taasisi nunuzi haina utaalumu wa kununua au kusimamia utekelezaji wa mkataba wa ununuzi; kuna uwezekano wa kupunguza gharama za ununuzi; muundo wa taasisi hauruhusu uundwaji wa bodi ya zabuni au uanzishwaji wa kitengo cha usimamizi wa ununuzi.

B. Uwajibikaji katika kukasimisha

Pamoja na kukasimisha, afisa masuuli bado atawajibika kwa uamuzi wa aliowakasimisha, hivyo ni vizuri

akiwasimamia kwa umakini ili watekeleze majukumu yao kwa mujibu wa sheria, kanuni, na miongozo ya ununuzi pamoja na masharti ya ukasimishaji.

Kumekuwapo na mwingiliano wa majukumu katika ofisi zilizokasimwa kwa sababu ya kuwa na watumishi wachache, hivyo wajumbe wa bodi za zabuni kulazimika kufanya shughuli za ufunguzi wa zabuni, tathmini, majadiliano na usimamizi wa mikataba ijapokuwa kanuni za ununuzi wa umma zinamtaka afisa masuuli kuhakikisha kuwa hakuna mwingiliano wa majukumu.

C. Makatazo katika ukasimishaji

Wapo baadhi ya maafisa masuuli wasiotaka kabisa kujihusisha na shughuli za ununuzi hivyo kutaka kukasimisha majukumu yao yote ya ununuzi; lakini kanuni zinaelekeza kwamba ukasimishaji haupaswi kutumika kwa lengo la kujizuia au kukimbia kuwajibika au kutekeleza majukumu.

Mtu au taasisi ambayo imekasimwa majukumu ya ununuzi inapaswa kuzingatia matakwa ya sheria, kanuni na miongozo ya ununuzi wa umma pamoja na maelekezo ya ukasimishaji.

Afisa masuuli anaruhusiwa kukasimisha kimaandishi majukumu yake yote isipokuwa: - uanzishwaji wa bodi ya zabuni na uteuzi wa wajumbe wake; uanzishwaji wa kitengo cha usimamizi wa ununuzi; uchunguzi wa malalamiko ya mzabuni; na kuwasilisha PPRA ripoti ya majibu ya malalamiko ya mzabuni.

Pale ambapo afisa masuuli amekasimisha majukumu yake kwa mjumbe wa bodi ya zabuni au mfanyakazi wa kitengo cha usimamizi wa ununuzi; mtu huyo aliyekasimishwa hatakiwi kuhusishwa kwenye shughuli za bodi ya zabuni au kitengo cha usimamizi wa ununuzi.

Vile vile, afisa masuuli hapaswi kumuingiza kwenye bodi ya zabuni mtu ambaye mara kwa mara anamkasimisha majukumu yake.

D. Ukasimishaji wa majukumu ndani ya taasisi

Majukumu ya bodi ya zabuni, kitengo cha usimamizi wa ununuzi na idara tumizi, yanaweza kukasimishwa kwenda ofisi nyingine ya taasisi. Mara zote, ili afisa masuuli akasimisha majukumu ya bodi ya zabuni na kitengo cha usimamizi wa ununuzi, anapaswa kwanza kuunda bodi ndogo ya zabuni na kitengo kidogo cha ununuzi katika ofisi ile. Bodi ndogo ya zabuni inapaswa kuwa na watu wasiopungua watano ikijumuisha mwenyekiti, katibu na wajumbe wasiopungua watatu.

Ukasimishaji huu unaweza kufanyika pale ambapo: taasisi nunuzi ina mzigo mkubwa, au maalum, wa ununuzi au uondoshaji, unaoweza kusimamiwa kwa ufanisi zaidi na ofisi nyingine; ofisi hiyo iko mbali kijiografia na makao makuu - hivyo kama ukasimishaji utapunguza matatizo ya usafirishaji au gharama; ofisi hiyo inafanya kazi kwa kujitegemea na kama itakuwa na ufanisi zaidi ikikasimishwa madaraka.

Bodi na kitengo kidogo vinapaswa kuripoti na kuomba ushauri wa masuala mbalimbali ya ununuzi kwa bodi na kitengo mama.

Afisa masuuli anaweza kutengua kwa maandishi ukasimishaji alioufanya, pale ambapo ataona mazingira yaliyosababisha ukasimishaji hayapo tena au kuna ukiukwaji wa sheria, kanuni, miongozo ya ununuzi na masharti ya ukasimishaji unaofanywa na mtu au ofisi iliyokasimishwa.

E. Ukasimishaji wa majukumu kwenda kwa Taasisi Nunuzi nyingine

Afisa masuuli anaweza kukasimisha shughuli zote za ununuzi au uondoshaji kwa njia ya zabuni kwenda taasisi nyingine pale ambapo: taasisi nunuzi inashindwa kukidhi masharti ya sheria, kanuni au miongozo; ukasimishaji utasaidia kubana matumizi au kuleta ufanisi zaidi.

Makala

Ukasimishaji wa majukumu ya ununuzi wa umma

Inatoka Ukurasa wa 13

Taasisi mpya au zile ambazo hazina wafanyakazi wa kutosha, zinaweza kunufaika na ukasimishaji huu, kwa kuomba taasisi nunuzi nyingine iwafanyie shughuli zote za ununuzi.

Afisa masuuli anaweza kukasimisha baadhi ya shughuli za ununuzi au uondoshaji kwa njia ya zabuni, kwenda taasisi nyingine pale ambapo: taasisi hiyo ina maarifa, ujuzi au uzoefu maalum kuhusiana na jambo la ununuzi; hitaji litanunuliwa kwa utaratibu wa pamoja; mradi unatekelezwa kwa pamoja; ukasimishaji utasaidia kubana matumizi au kuleta ufanisi zaidi.

Taasisi zinazotaka kutekeleza miradi ya ujenzi na kununua bidhaa za kitaalamu zinaweza kunufaika na ukasimishaji huu kwa kuziomba taasisi zilizoboea kwenye ujenzi na bidhaa za kitaalamu kuwafanyia ununuzi au kusimamia mikataba ya ununuzi husika.

Ukasimishaji wa shughuli za ununuzi kwenda taasisi nyingine ni lazima uhusishe kusainiwa kwa makubaliano ya ukasimishaji baina ya maafisa masuuli wa taasisi husika, na nakala ya makubaliano hayo inapaswa kuwasilishwa PPRa.

Makubaliano hayo yanapaswa kueleza: jambo lolote ambalo siyo sehemu ya makubaliano; aina ya mahitaji au mradi utakaokuwa sehemu ya mkataba; namna ya utekelezaji wa ununuzi; majukumu ya kila upande, taratibu, ufuatiliaji na utoaji wa ripoti; na gharama zozote zinazopaswa kulipwa.

Pale ambapo ukasimishaji kwenda taasisi nyingine umefanyika kwa baadhi ya shughuli za ununuzi, ni vizuri ikiwa maafisa masuuli watakubaliana juu ya utaratibu utakaotumika kupata ridhaa ya bodi ya zabuni inayoanzisha mchakato na ile inayotekeleza.

Ukasimishaji kwenda wakala wa ununuzi Taasisi nunuzi inaweza kununua huduma za wakala wa ununuzi ili awafanyie baadhi au majukumu yote ya ununuzi. Wakala huyo anaweza kuwa taasisi ya serikali au binafsi lakini itapaswa kufuata sheria na kanuni za ununuzi wa umma katika kutekeleza majukumu hayo.

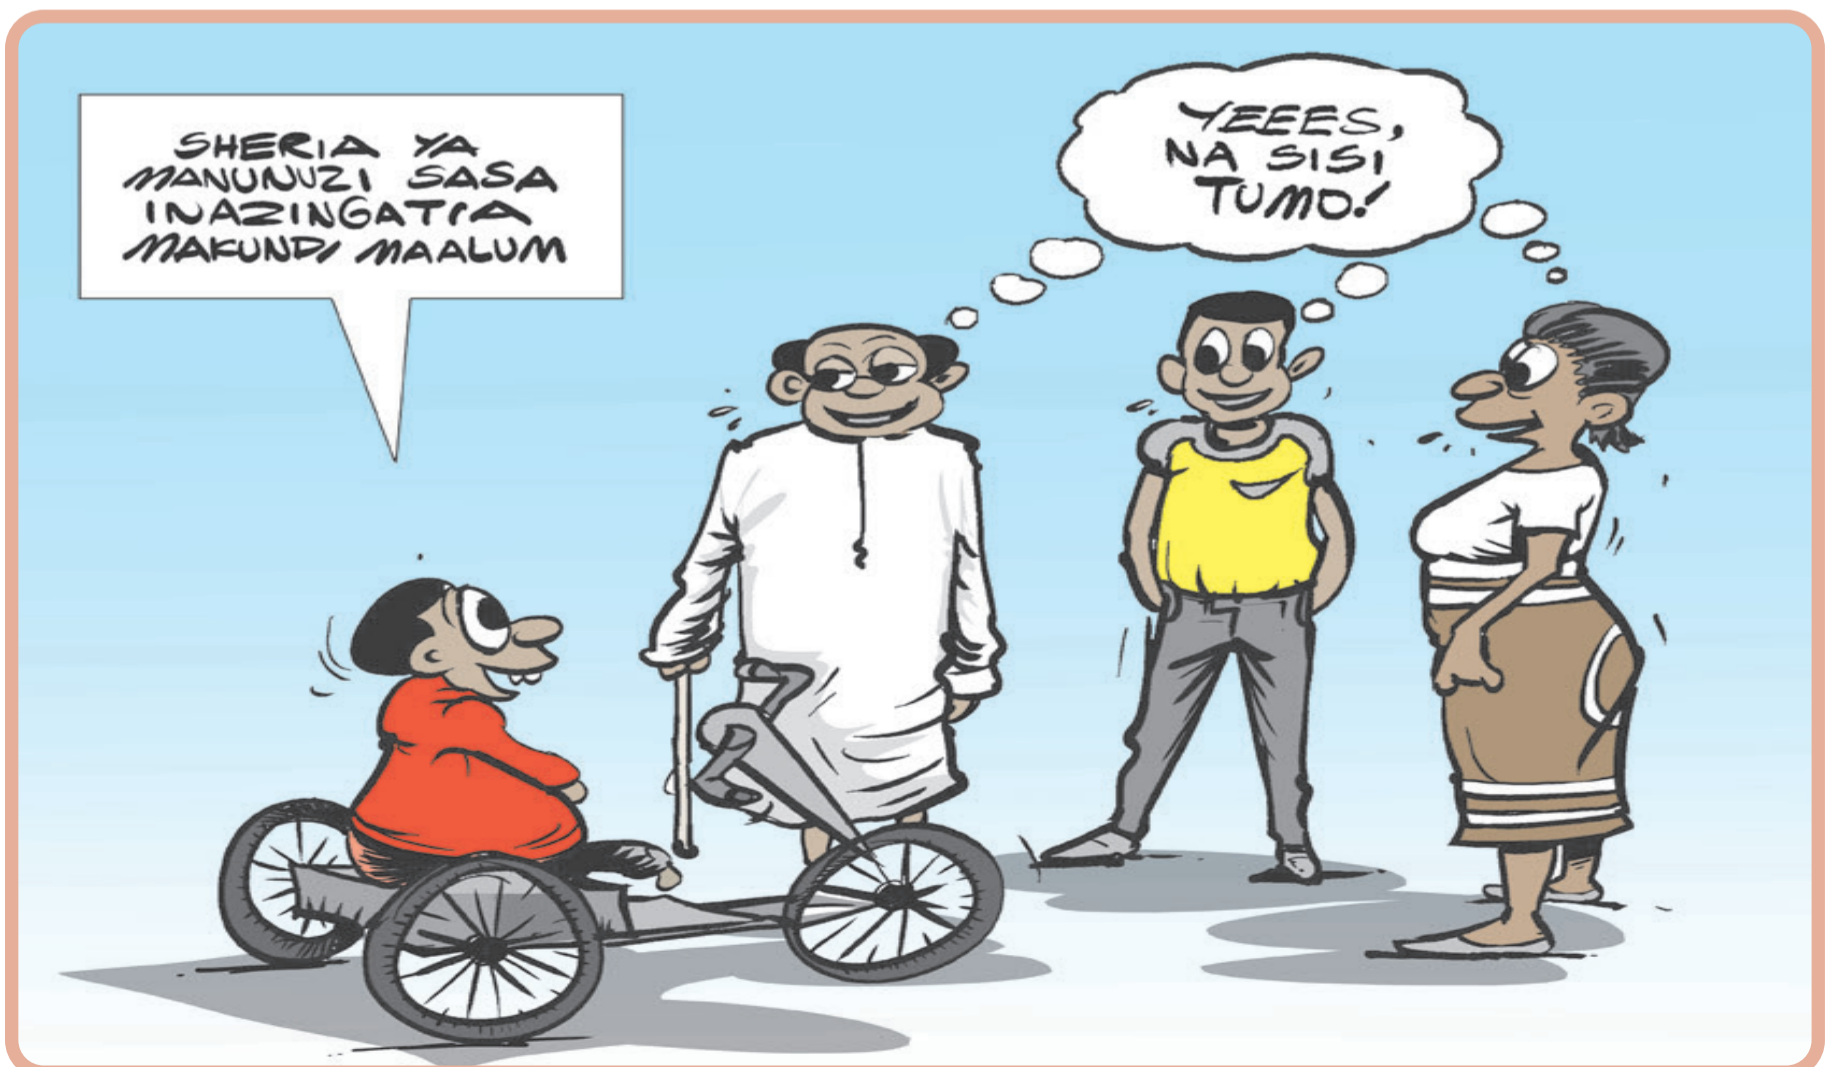

Taasisi nunuzi inaweza kukasimisha majukumu yafuatayo ya ununuzi: ushauri wa njia za ununuzi; kuandaa maelezo ya mahitaji au hadidu za rejea; kuandaa makabrasha ya zabuni; upokeaji na ufunguzi wa zabuni; kufanya tathmini za zabuni; kuandaa mikataba ya ununuzi na kufanya maboresho ya mikataba.

Aidha, taasisi nunuzi inaweza kukasimisha majukumu ya idara tumizi katika kusimamia mikataba ya ununuzi kama vile: kufuatilia utekelezaji wa mkataba; kutoa taarifa ya ukiukwaji wa vifungu vya mkataba; kuandaa maagizo ya maboresho na kuthibitisha madai ya malipo.

Ukasimishaji kwa wakala wa ununuzi utafanyika kwa kusainiwa makubaliano baina ya afisa masuuli wa taasisi na wakala wa ununuzi na nakala ya makubaliano hayo inapaswa kuwasilishwa PPRa.

Majukumu ya afisa masuuli na bodi ya zabuni hayatakiwi kukasimishwa kwa wakala wa ununuzi; vile vile pale ambapo itaonekana patakuwa na mgongano wa maslahi, taasisi nunuzi inatakiwa kutokasimisha ununuzi na usimamizi wa mkataba kwa wakala mmoja.

Frank Yesaya ni Afisa Ununuzi wa Mamlaka ya Kudhibiti Ununuzi wa Umma (PPRA), na anapatikana kupitia anuani ya barua pepe: frank.yesaya@ppra.go.tz; Simu: 0764 495316
