

Local contractors urged to use professionals on construction projects

DID YOU KNOW?

Procurement planning shall commence at the design stage, during the identification and preparation of the project cycle.

By Joseph Muhozi, Arusha

The government has urged local contractors to ensure they deploy qualified people with requisite experience in implementing the types of projects they sign contract for, TPJ has learnt.

Addressing the Contractors Registration Board's Third Meeting of

Construction Stakeholders for Northern Zone for the Year 2023, held recently in Arusha, the Deputy Minister for Works and Transport, Eng. Godfrey Kasekenya, highlighted the need of employing personnel who care about protecting their professional standing as a necessary first step towards a successfully executed project.

“[Employing qualified and

competent personnel] should be your number one priority in the implementation of a project,” he said and added that ignoring that aspect creates the possibility for shoddy work and lengthy delays with negative consequences on a contractor's reputation and profit.

Finding the right

personnel may take time, but it is an important first step towards delivering a successfully implemented project, because professionals take an oath for integrity and are therefore aware that if the project does not meet specifications they will be the first to take the blame,” said Eng. Kasekenya.

The Deputy Minister further told participants that the government has continued with implementation of construction projects while strategizing to partner with the private sector in order to speedup implementation

of those projects in the country.

Speaking earlier, the CRB Board Chairman, Eng. Joseph Nyamhanga, noted with appreciation, the Government’s decision to scale down use of force account in construction projects, a move which he said has revamped the morale of local contractors.

The two-day meeting, which drew construction industry stakeholders from six regions of the country’s north, namely Arusha, Kilimanjaro, Manyara, Tanga, Singida and Dodoma, focused on discussing about improving the construction sector.

Mchango wa Bodi za Wakurugenzi, Kamati za Fedha na Mipango na Menejimenti katika Ununuzi wa Umma

Ununuzi wa umma unahusisha njia na taratibu au michakato inayofuatwa na taasisi nunuzi katika kupata bidhaa, huduma na kazi za ujenzi.

Ili iweze kufanya shughuli za ununuzi kwa kujitegemea, taasisi inapaswa kuwa na miundo ya kudumu ya kiununuzi kama ifuatayo: Mamlaka ya Kuidhinisha Bajeti; Afisa Masuuli; Bodi ya Zabuni; Kitengo cha Usimamizi wa Ununuzi; Kitengo cha Ukaguzi wa ndani; na Idara zingine mbalimbali ambazokwa ujumla huitwa Idara Tumizi.

Miundo mingine ambayo siyo ya kudumu bali huundwa kwenye kila mchakato wazabuni pamoja na Kamati za: - Ufunguzi wa Zabuni; Tathmini; Majadiliano; Ukaguzi na Usimamizi wa utekelezaji wa Mikataba ya Ununuzi.

Kwa mujibu wa sheria ya ununuzi wa umma, mamlaka ya kuidhinisha bajeti ni mamlaka ya juu kabisa ya maamuzi ya kiununuzi ambayo ni sehemu ya muundo wa ndani wa taasisi nunuzi.

Majina ya mamlaka hizi ni tofauti kulingana na miundo ya kiushauri na uendeshaji ya taasisi mbalimbali.

Majukumu au kazi za mamlaka za kuidhinisha bajeti katika ununuzi wa umma kwa upande wa Serikali Kuu na taasisi zake yametajwa katika kifungu cha 33(2) cha Sheri ya Ununuzi wa Umma ya Mwaka 2011; wakati yale ya Mamlaka za Serikali za Mitaa yametajwa katika kanuni ya 17 ya Kanuni za Uanzishaji

na Uendeshaji wa Bodi za Zabuni za Serikali za Mitaa za Mwaka 2018.

Majukumu au kazi za mamlaka za kuidhinisha bajeti yaliyotajwa katika Sheria ya Ununuzi wa Umma ya Mwaka 2011 ni:

- i. Kupitia na kuidhinisha mpango mwaka wa ununuzi kulingana na bajeti na mpango kazi wa taasisi nunuzi;
 - ii. Kupitia ripoti za ununuzi za kila robo mwaka zinazowasilishwa na Afisa Masuuli;
 - iii. Kuhakikisha taasisi inazingatia matakwa ya sheria na kanuni za ununuzi wa umma;
 - iv. Kuiomba PPRA kufanya ukaguzi au uchunguzi wa ununuzi wowote ambao hawajaridhika nao;
 - v. Kuhakikisha mapendekezo ya PPRA kuhusiana na makosa/ mapungufu katika shughuli za ununuzi yanatekelezwa; na
 - vi. Kuwachukulia hatua za kinidhamu wafanyakazi waliohibitika kufanya makosa katika shughuli za ununuzi;
- Majukumu au kazi za mamlaka za kuidhinisha bajeti yaliyotajwa katika Kanuni za Uanzishaji na Uendeshaji wa Bodi za Zabuni za Serikaliza Mitaa za Mwaka 2018 ni:**
- i. Kupitia na kuidhinisha mpango mwaka wa ununuzi kulingana na bajeti na mpango kazi wa Halmashauri;
 - ii. Kupitia ripoti za ununuzi za kila robo mwaka zinazowasilishwa na Afisa Masuuli;
 - iii. Kufuatilia utekelezaji wa mikataba ya ununuzi kupitia ukaguzi wa bidhaa na miradi ya ujenzi;
 - iv. Kumuelekeza afisa masuuli kufanya ukaguzi wa ununuzi au thamani ya fedha pale ambapo wanapewa maelezo

wasiyokubaliana nayo;

v. Kuidhinisha majina ya wajumbe wa bodi za zabuni;

vi. Kufuatilia masuala yote ya ununuzi; na

vii. Kupitia utoaji wa tuzo za zabuni.

Kuna mambo mengi yanayoweza kujadiliwa kuhusiana na iwapo ni sahihi au siyo sahihi mamlaka za kuidhinisha bajeti kufanya majukumu hayo kama ambavyo yametajwa katika sheria na kanuni tajwa.

Lakini kulingana na sheria na kanuni tajwa hapo juu kuna makundi makuu manne ya majukumu ya mamlaka za kuidhinisha bajeti, moja ni kupitia na kuidhinisha mipango ya ununuzi, mbili kuhakikisha ununuzi ufanyika kwa mujibu wa sheria na kanuni za ununuzi, tatu kufuatilia utekelezaji wa ununuzi na nne kuchukua hatua za kinidhamu pale ambapo watekelezaji hawafuati sheria na kanuni.

Msisitizo ni kwamba mamlaka za kuidhinisha bajeti ni zile ambazo ziko ndani ya muundo wa taasisi na siyo bunge. Kwa taasisi nunuzi ambazo ni:

i. Wizara na mikoa, mamlaka hizo ni vikao vya menejimenti;

ii. Mamlaka za serikali za mitaa, mamlaka hizo ni vikao vya baraza la madiwani hasa kamati ya fedha na mipango;

iii. Mamlaka, wakala, mashirika ya umma, bodi na taasisi zenye miundo kama hizi, mamlaka hizo ni bodi za wakurugenzi.

Kwa muda mrefu mamlaka hizi zimejiona ni kama mamlaka za kupitia na kuidhinisha tu kile ambacho kimepangwa au kutekelezwa na wataalamu wa ununuzi au menejimenti za taasisi. Mamlaka hizi, kutokana na kukosa maarifa na uzoefu wa kutosha, zimekuwa zikishindwa kutoa ushauri au maelekezo ya kuboresha kile ambacho kinawasilishwa kwenye vikao au

Mchango wa Bodi za Wakurugenzi...

Inatoka Ukurasa 3

kinachofanyika kwenye shughuli za ununuzi.

Ni muhimu sana mamlaka hizi zikajengewa uwezo katika masuala yote ya ununuzi ili ziweze kutoa mchango sahihi utakaopelekea shughuli za ununuzi kuwa zenye ufanisi na kuleta tija.

Mchango wa mamlaka za

kuidhinisha bajeti

Miundo ya kiununuzi

Kama ambavyo nimeeleza awali kuwa ili taasisi nunuzi iweze kufanya shughuli za ununuzi kwa kujitegemea inapaswa kuwa na miundo ya kudumu ya kiununuzi kama mamlaka ya kuidhinisha bajeti; afisa masuuli; bodi ya zabuni; kitengo cha usimamizi wa ununuzi; kitengo cha ukaguzi wa ndani; na idara zingine mbalimbali ambazo kwa ujumla huitwa idara tumizi.

Mchango wa mamlaka za kuidhinisha bajeti ni kuzisaidia taasisi nunuzi kuwa na miundo kamili ya kiununuzi katika ofisi za makao makuu na zile za kanda, mikoa au wilaya iwapo taasisi hizo zinafanya ununuzi katika ngazi hizo.

Hata kama taasisi nunuzi haijagatua shughuli za ununuzi kwenda ofisi za mikoa au wilaya lakini kuna haja ya kufanya hivyo, ili kuongeza ufanisi katika shughuli za ununuzi, ni vizuri mamlaka za kuidhinisha bajeti zikatoa ushauri wa kugatua shughuli za ununuzi.

Jambo la muhimu zaidi ni kuhakikisha miundo hiyo ya kudumu inakuwa na wafanyakazi wa kutosha wenye maarifa na uzoefu sahihi utakaosaidia kutekeleza majukumu yaokwausahihi. Lakinipiakuweka utaratibu wa kupima ufanisi wa utendaji kazi wa miundo hiyo na kushauri marekebisha ya mapungufu ya kiutendaji ya miundo hiyo.

Kwa kuhakikisha taasisi nunuzi ina muundo sahihi wa ununuzi, mamlaka za kuidhinisha bajeti zitakuwa zinatekeleza jukumu la kuhakikisha taasisi nunuzi inazingatia matakwa

ya sheria na kanuni za ununuzi.

Upangaji wa ununuzi

Mipango ya ununuzi huandaliwa kulingana na bajeti na mpango kazi wa taasisi nunuzi, wakati wa kupitia mpango mwaka wa ununuzi ni vizuri mamlaka za kuidhinisha bajeti zikahakikisha kuwa thamani ya mpango wa ununuzi inaakisi bajeti ya taasisi iliyopitishwa kutekeleza mpango kazi wa mwaka husika wa fedha.

Aidha ni vizuri kuhakikisha kuwa kila bidhaa, huduma au kazi za ujenzi zinazopaswa kununuliwa ili kutekeleza mpango kazi zimejumuisha kwa ukamilifu kwenye mpango wa ununuzi.

Kulingana na mpango kazi wa taasisi wajumbe wa mamlaka za kuidhinisha bajeti wanaweza wakashauri juu ya usahihi wa njia za ununuzi na muda wa utekelezaji wa mchakato wa ununuzi kama vinaweza kusaidia kupata mahitaji kwa muda uliobainishwa kwenye mpango kazi wa taasisi nunuzi.

Ni muhimu kuhakikisha mahitaji yote ya kimkakati na hata mahitaji ya kawaida ya kusaidia shughuli za kila siku yanapangiwa njia sahihi za ununuzi ili kufanikisha malengo ya muda mrefu na mfupi ya taasisi nunuzi ikiwemo kutoa huduma bora kwa wakati zinapohitajika na wateja.

Utekelezaji wa mchakato wa

zabuni

Kupitia kitengo cha ukaguzi wa ndani, mamlaka za kuidhinisha bajeti zinaweza kufuatilia na kuelekeza uzingatiaji wa sheria na kanuni za ununuzi na mpango mwaka wa ununuzi katika kutekeleza michakato ya zabuni.

Aidha kwa kila robo mwaka, mamlaka za kuidhinisha bajeti zinatakiwa kupitia ripoti za utekelezaji wa mpango wa ununuzi ili kuona ufanisi wa utekelezaji wa mpango huo, na kutoa

Makala/News in Pictures

Mchango wa Bodi za Wakurugenzi, Kamati za...

Inatoka Ukurasa 4

maelekezo pale inapobidi juu ya hatua za kuchukua kurekebisha mapungufu katika michakato ya zabuni.

Ingawa ripoti za robo mwaka huwasilisha utekelezaji wa michakato ya ununuzi katika robo mwaka inayoisha, bado kuna uwezekano wa mamlaka hizo kuona iwapo taasisi nunuzi ilishaanza kufanya maandalizi ya kutekeleza zabuni zilizopangwa kwenye robo ya mwaka inayofuata kwa mfano kufanya mchakato wa pre-qualification kwenye robo iliyotangulia ili kuwaalika wazabuni kwenye robo ijayo.

Utekelezaji wa mikataba ya ununuzi

Kupitia kitengo cha sheria, mamlaka za kuidhinisha bajeti zina nafasi ya kushauri juu ya usahihi wa mikataba ya ununuzi, na uzingatiaji wa matakwa ya kusaini mikataba

na kutekelezwa kwa mikataba hiyo.

Mamlaka hizi ni vizuri zikapewa fursa ya kutembelea utekelezaji wa miradi ya ujenzi ili watoe ushauri wao, lakini pia wanaweza kuonyeshwa namna ambavyo bidhaa au huduma zilionunuliwa zinavyotumiwa na wafanyakazi au wateja wa taasisi ili kuona kama zimeleta ufanisi uliokusudiwa.

Aidha, pale ambapo kuna mabadiliko katika mikataba ya ununuzi yanayopelekea gharama za mkataba kuongezeka zaidi ya asilimia 15, mamlaka za kuidhinisha bajeti zinapaswa kujiridhisha iwapo mabadiliko hayo yanahitajika na kuna fedha za kuweza kuyagharamia ndipo watoe ridhaa kwa mabadiliko hayo kutekelezwa.

Moja ya mambo yanayopaswa kuripotiwa kwenye mamlaka za kuidhinisha bajeti ni pamoja na

utekelezaji wa mikataba ya ununuzi.

Mamlaka ya nidhamu katika ununuzi

Mamlaka za kuidhinisha bajeti zinapaswa kuwa za kwanza kuchukua hatua za kinidhamu kwa mtumishi yoyote wa taasisi nunuzi anayekiuka matakwa ya sheria na kanuni za ununuzi kabla ya mamlaka za nje ya taasisi.

Hitimisho

Ili kuondoa uwezekano wa kuwapo kwa mgongano wa kimaslahi, sheria na kanuni za ununuzi wa umma zinaelekeza wenyeviti na wajumbe wa bodi za wakurugenzi, mabaraza ya madiwani na menejimenti, pamoja na wenza wao au washirika wao au makampuni yao kutoomba au kupewa zabuni katika taasisi nunuzi ambazo wao wanazishauri na kuzisimamia.
