

Jail, fine await public officials procuring outside NeST

DID YOU KNOW?

From October 1, 2023 all procurement processes will be conducted through the new e-procurement system named NeST, which can be accessed through www.nest.go.tz

PPRA Chief Executive Officer Eliakim Maswi, presents on NeST to members of Tanzania Editors Forum, September 23, 2023 in Dar es Salaam

NEWS IN NUMBERS

Tenderers registered with the new e-procurement system named NeST, up to September 26, 2023. The system can be accessed through www.nest.go.tz

By Joseph Muhozi, Dar

The Public Procurement Bill 2023 which was passed by Parliament recently, sets severe penalties including jail and or fine, for public officials who will conduct any public procurement process outside the National e-Procurement

System of Tanzania (NeST), TPJ can report. The Chief Executive Officer of the Public Procurement Regulatory Authority, Eliakim Maswi, told the Tanzania Editors Forum (TEF) and the press, that the penalties are meant to push towards acceptance of using the electronic system, which has shown great promise in enhancing transparency, accountability and attainment of value for money in public procurement, which accounts for more than 70% of the government's budget. Maswi emphasized the transformative potential of NeST in reshaping how the government manages public funds and underscored the longstanding issue of

Wazabuni waliojisajili kwenye mfumo mpya wa usimamizi wa ununuzi wa umma kielektroni uitwao NeST, hadi kufikia Septemba 26, 2023. Mfumo unafikika kupitia www.nest.go.tz

This Journal is published by the Public Procurement Regulatory Authority (PPRA) every Tuesday, and can be downloaded from PPRA website www.ppra.go.tz

Jail, fine await public officials...

Continued from Page 1

embezzlement in public procurement by unscrupulous officials, “who exploited manual operations by engaging in various malpractices, including collusion and corruption with impunity.”

“The introduction of NeST promises to curtail these malpractices,” he said, adding that it is not farfetched to imagine unfaithful officers trying their best to avoid using the system because they know they will be caught easily.

According to Maswi, the passed bill mandates the use of electronic systems in all procurement dealings with no provision for offline procurement and public officers who fail to comply face imprisonment for up to three years, a fine of up to 10 million Tanzanian Shillings, or both.

“There is no option which allows

the use of offline procurement,” he said.

Maswi urged the media to play a pivotal role in educating the public about the benefits of NeST and to highlight the fact that a Government directive says that from October 1, 2023, all procurement processes in Tanzania Mainland will be conducted through NeST only, and that no entity will be allowed to procure outside the system.

Meanwhile, Chairperson of TEF, Deodatus Balile, commended the system's potential to deter malpractices such as forgery of certificates of incorporation and in exposing companies that use multiple Taxpayer Identification Numbers (TIN) to evade tax obligations.

The public procurement bill, which was passed by Parliament in early September 2023, also raised the threshold for national preference from 10 million to 50 million Tanzanian Shillings, for works.

Ununuzi kwa kutumia utaratibu wa Framework Agreements

Ili kupata mahitaji ya bidhaa, huduma na kazi za ujenzi taasisi nunuzi wamekuwa wakitumia njia na taratibu mbalimbali za ununuzi. Utofauti wa mahitaji, uharaka wa kupatikana, idadi, thamani, ubora, matumizi, uwepo na uwezo wa wazabuni, aina ya mikataba na kipindi cha mikataba ndiyo inapelekea taasisi nunuzi kutumia njia na taratibu mbalimbali za ununuzi.

Kwa kawaida njia na taratibu zoteza ununuzi zinahusisha kutathmini sifa za wazabuni na kisha kuingia mikataba wa usambazaji wa bidhaa, utoaji wa huduma au ujenzi na wazabuni wenye sifa na vigezo vilivyohitajika.

Kwa mahitaji yanayopaswa kununuliwa mara kwa mara ili kuwezesha shughuli za kila siku za taasisi nunuzi na mahitaji yenye uharaka si busara kusubiri uhitaji utokee ndipo taasisi nunuzi waanze mchakato wa kuwatafuta wazabuni wenye sifa.

Kwa sababu hiyo nchi nyingi duniani zimekuwa zikifanya utaratibu wa kuhakikisha wazabuni wenye sifa wanapatikana kabla ya uhitaji haujatokea na kuingia nao makubaliano ya kutimiza mahitaji ya

taasisi nunuzi pindi yatakapotokea. Utaratibu huu ulishika kasi katika miaka ya 1990, ambapo ulijulikana kwa majina mbalimbali kama *"Indefinite Delivery"* mpaka baadae katika miaka ya 2000 ulipoitwa *"Framework Agreements"*.

Utaratibu huu umeendelea kukua na kutekelezwa katika namna tofauti kulingana na mazingira na mahitaji ya nchi mbalimbali. Kuanzia miaka ya 1990 mpaka 2000 nchi nyingi duniani zilikuwa zikitekeleza utaratibu wa *Frameworks Agreements* pasipo matumizi ya teknolojia ya habari na mawasiliano, hata hivyo kuanzia miaka ya 2000 kumekuwa na msisitizo wa kuongeza uwazi na ushindani katika ununuzi wa umma kuliko pelekea matumizi ya TEHAMA katika michakato ya ununuzi wa umma.

Matumizi ya TEHAMA katika ununuzi wa umma yamepelekea mabadiliko makubwa katika taratibu mbalimbali za ununuzi ikiwemo *Framework Agreements* ambayo kwa sasa inatekelezwa kwa kutumia *e-Purchasing, e-Catalogue* na *e-Auctions*. **Maana ya Mchakato na Makubaliano ya Ujumla**

Kwa mujibu wa Sheria ya Biashara za Kimataifa ya Umoja wa Mataifa, mchakato wa kuingia makubaliano ya ujumla *"Framework Agreement Procedure"* ni

mchakato wa ununuzi unaondeshwa katika hatua mbili, hatua ya kwanza ya kuwatafuta wazabuni watakaokuwa sehemu ya makubaliano na hatua ya pili kutoa mkataba wa ununuzi kwa mzabuni/wazabuni waliosehemu ya makubaliano.

Kwa mujibu wa Umoja wa Ulaya, makubaliano ya ujumla *"Framework Agreement"* ni makubaliano baina ya taasisi nunuzi moja au zaidi na mzabuni mmoja au zaidi, ambayo lengo lake ni kuweka masharti yatakayosimamia mikataba ya ununuzi itakayotolewa ndani ya kipindi fulani, pale itakapowezekana masharti hayo yanaweza kuhusisha maoteo ya bei na idadi.

Utaratibu wa *Framework Agreements* ulitambuliwa kwa mara ya kwanza Tanzania katika Sheri ya Ununuzi wa Umma iliyofutwa ya Mwaka 2004. Utaratibu huu ulianza kutekelezwa nchi nzima katika Mwaka wa Fedha 2009/2010, ambapo Wakala wa Huduma za Ununuzi Serikalini (GPSA) waliratibu zoezi la kuwapata wazabuni na kuingia nao makubaliano.

Kwa mujibu wa Sheria ya Ununuzi wa Umma ya Tanzania, *Framework Agreement* ina maanisha makubaliano ya kimkataba yanayoruhusu taasisi nunuzi kununua bidhaa, huduma au kazi za ujenzi zinazohitajiwa kwa mwendelezo (continuously) au zinazojirudia (repeatedly) kwa kipindi fulani, kupitia kutoa oda kadhaa. Katika sheria hiyo, zimetajwa aina mbili za framework agreements moja ni makubaliano yaliyofungwa (closed

framework agreement) na pili ni makubaliano ya wazi (open framework agreement). Kwa mujibu wa sheria hiyo: - **Makubaliano au Mkataba?**

Maneno **Framework Agreements** na **Framework Contracts** yamekuwa yakitumika kama maneno yenye maana sawa, wakati ukweli ni tofauti. Wadau wa ununuzi wamekuwa wakijiuliza kama **Framework Agreements** ni mkataba au la, na je mkataba wa framework unaweza kuingiwa wakati gani?

Kwa mujibu wa mwongozo wa Kuanzisha na Kuendesha **Framework Agreements** wa Mwaka 2021 uliotolewa na Benki ya Dunia, **Framework Agreement** siyo mkataba bali ni makubaliano. Makubaliano ya ujumla yanaweza kuwa ya miezi kadhaa mpaka miaka mitatu.

Ili **framework agreement** iwe mkataba ni lazima kuwe na makubaliano ya kununua bidhaa za idadi na thamani fulani. **Framework agreement** huingiwa baina ya taasisi au kwa niaba ya taasisi nunuzi na wazabuni waliofaulu mchujo wa awali, wakati framework contract huingiwa baina ya taasisi nunuzi na mzabuni aliyekatika makubaliano ya ujumla ili kusambaza bidhaa, kutoa huduma au kufanya kazi za ujenzi za idadi, thamani na kwakipindi fulani.

Aina za Makubaliano ya Ujumla

Kwa ujumla kuna aina mbili kuu za framework agreements ambazo ni: -

i. Open framework agreements

Neno open framework agreements linamaanisha makubaliano ya ujumla yanayoruhusu mzabuni yoyote kujiunga na makubaliano yaliyoingwa kati ya

mamlaka/taasisi nunuzi na wazabuni katika kipindi chote cha makubaliano. Katika utaratibu huu wa open framework, vigezo na masharti ya ununuzi hukubaliwa na wazabuni katika hatua ya awali ya mchakato, wakati bei za bidhaa, huduma na kazi za ujenzi huamuliwa kwa ushindani katika hatua ya pili ya mchakato.

ii. Closed framework agreements

Neno closed framework agreements linamaanisha kuingia makubaliano na wazabuni kadhaa katika hatua ya awali, ambapo wazabuni wengine hawaruhusiwi kuingia katika makubaliano mpaka mwisho wa kipindi cha makubaliano. Katika utaratibu huu wa closed framework, vigezo na masharti ya ununuzi na ofa za wazabuni ikiwemo bei huamuliwa kabisa katika hatua ya awali ya mchakato. Hatua za mchakato wa

Framework Agreement

Kama tulivyoona hapo juu katika sehemu inayoelezea maana ya mchakato wa framework agreement, mchakato huo unahusisha hatua mbili: -

A. Hatua ya kutafuta wazabuni

watakaokuwa sehemu ya makubaliano Hatua hii ya awali inahusisha utafutaji wa wazabuni wenye sifa na vigezo vya kuingia makubaliano ya ujumla na mamlaka/taasisi nunuzi. Hatua hii inaweza kufanywa na taasisi nunuzi moja moja au mamlaka/taasisi nunuzi moja kwa niaba ya zingine.

Hatua ndogo ndogo katika hatua hii ni kama ifuatavyo: -

i. kutambua bidhaa, huduma na kazi za ujenzi zinazotakiwa kuundiwa makubaliano ya ujumla;

Ununuzi kwa kutumia utaratibu...

Inatoka Ukurasa 4

- ii.** kupata makadirio ya mahitaji ya ununuzi (idadi na gharama) kutoka taasisi nunuzi kwa kipindi tarajali cha makubaliano;
- iii.** kupata maelezo bainishi ya mahitaji (specifications, statements of requirements au terms of references) kutoka taasisi nunuzi au mamlaka husika;
- iv.** kuwafahamisha wazabuni juu ya fursa za makubaliano ya ujumla kupata utayari na maoni yao;
- v.** kutoa fursa kwa wazabuni kujisajili katika utaratibu wa makubaliano ya ujumla kupitia mfumo wa kielektroniki au pasipo mfumo;
- vi.** wazabuni kuwasilisha mapendekezo yao ya bei kwa closed framework agreements;
- vii.** kuchaguliwa kwa mzabuni mmoja au zaidi; kwa tofauti kwa kila oda pindi hitaji litakapotokea. Hatua hii ya pili inahusisha taasisi nunuzi kutekeleza hatua ndogo zifuatazo: -
- viii.** kuingia makubaliano ya ujumla (framework agreements) na mzabuni mmoja au zaidi.
- B. Hatua ya kutoa mkataba wa ununuzi kwa mzabuni au wazabuni waliokwenye makubaliano**
- Hatua hii ya pili ya mchakato wa makubaliano ya ujumla inahusisha taasisi nunuzi moja moja kuingia mkataba wa ununuzi na mzabuni mmoja au zaidi. Kwa kuwa mahitaji yanayonunuliwa na taasisi nunuzi ni ya kujirudia, taasisi nunuzi inaweza kuingia mkataba mmoja utakaowawezesha kutoa oda ndogo ndogo kwa kipindi chote cha makubaliano, au kuingia mikataba
- i.** Kutoa mahitaji halisi ya ununuzi (idadi na gharama);
- ii.** Kutoa maelezo halisi bainishi ya mahitaji;
- iii.** Kuwaalika wazabuni kutimiza mahitaji ya ununuzi ya taasisi kwa kutoa oda kulingana na bei za awali katika *closed framework agreement* au kufanya ushindani wa bei na baadhi ya vigezo vya sifa kwa *open framework*;
- iv.** Kuingia mkataba wa ununuzi na mzabuni au wazabuni washindi
- v.** Kufuatilia utekelezaji wa mkataba wa ununuzi; na
- vi.** Kufanya tathmini ya ufanisi wa taasisi nunuzi, wazabuni au utaratibu wa framework.
