

Simbachawene: Strive to keep corruption out of projects

DID YOU KNOW?

Framework contracts are now signed in the NeST and the procurement process is done in the system. Register today through nest.go.tz

Minister of State in President's Office Public Service Management and Good Governance, George Simbachawene, when he opened a stakeholders' forum against corruption on December 4, 2023, in Dodoma

NEWS IN NUMBERS

Tenderers registered with the new e-procurement system named NeST, up to December 6, 2023. The system can be accessed through nest.go.tz

By Yussuf Abbas, Dodoma

The Government has called upon public servants to ensure corruption never finds space in any public procurement process, TPJ can report.

Minister of State in Presidents Office, Public Service Management and Good Governance, George Simbachawene, issued the call while opening a national stakeholders forum against

corruption on December 4, 2023 at PSSSF Tower in Dodoma. Simbachawene said many projects in the public sector often never get concluded on time due to corrupt practices among contractors and project managers, vices that undermine Government's value for money objectives in development projects. He said while various schemes could be and get attempted to curtail corruption

and its many tentacles, President Samia Suluhu Hassan believes that the best is one which is driven by an age-old principle 'prevention is better than cure' as it is more effective and easier to implement than fighting to defeat the vice once it has taken hold. "It is advisable to stick with the Takukuru motto "Kuzuia rushwa ni jukumu lako na

langu, tutimize wajibu wetu.” So each and every one of us should be mindful that we have a responsibility to ensure public monies don’t get siphoned off in the implementation of public projects and to report all corrupt practices to entities with mandate to take action against such vices,” said Simbachawene.

Furthermore, the minister was full of praise on the use of ‘Force Account’ method of implementing development projects saying it has enabled a great deal of savings in the public purse because, without it, “it is the contractors who get a bigger share of the project funds but without a commensurate benefit to the Government.”

“Among the projects that were successfully implemented in a corrupt-free environment and which were properly managed, if we hadn’t used the method the Government would have spent Sh. 500 Million but about Sh. 200 Million would have gone to the

contractor,” he said, adding that, however, a few projects, which were implemented using the method, were also found to have succumbed to corrupt practices leading to their not getting completed.

Minister Simbachawene went on to urge all stakeholders in the public procurement sector and others to embrace ethics, human dignity and human rights in all projects they get involved in.

The forum concluded with a call to everyone to embrace key principles, including to shun corruption, to beef up supervision of projects, cooperation between relevant regulatory and oversight bodies, involvement of citizen participation in each project stage, as well as boosting public awareness and education on development projects.

The forum whose motto was “Zingatia Maadili, Utu, Uhuru na Haki kwa Watu wote kwa Maendeleo Endelevu” is an event leading to the Annual National Ethics and Human Rights Day which is marked on 10 December.

Makala

Na Frank Yesaya

Mambo ya kuzingatia katika ununuzi kwenye mfumo wa NeST 2

Usajiliwa Taasisi Nunuzi na Watumiaji wake Ili kuanza kutumia mfumo wa NeST kila taasisi nunuzi inapaswa kusajiliwa kwa kutumia taarifa zifuatazo: -

Makala ya leo ni mwendelezo wa Makala iliyochapishwa katika TPJ iliyopita toleo la 48 la tarehe 28 Novemba 2023.

Jina rasmi la taasisi, kifupisho chake, fungu namba (vote number), msimbo wa mfumo wa bajeti, anuani ya sanduku la posta, baruapepe, namba ya simu, tovuti (siyo lazima), mkoa na wilaya ilipo husika. Kwa kuanzia mfumo wa NeST ulifanya usajili wa taasisi nunuzi za awali kwa kutumia taarifa za taasisi za umma zinazopatikana katika kanzidata ya Ofisi ya Raisi - Menejimenti ya Utumishi wa Umma na Utawala Bora. Baadhi ya taarifa hizo zinaweza kuhuishwa na msimamizi wa mfumo aliyeteuliwa na taasisi husika.

Baada ya usajili wa taarifa za msingi, mamlaka hufanya usajili wa idara tumizi zitakazokuwa zinaanzisha mahitaji ya ununuzi na idara ya usimamizi wa ununuzi,

sheria, ukaguzi na uhasibu ambao wanamajukumu maalumu katika mchakato wa ununuzi. Idara hizi husajiliwa kwa majina rasmi kama yanavyoonekana katika muundo wa taasisi husika, hata hivyo ili kurahisisha utekelezaji wa shughuli za ununuzi taasisi nunuzi inaweza kuomba idara zao zitengenezwe tofauti kidogo na muundo rasmi. Kila idara hupewa namba ya utambulisho itakayosaidia kutofautisha mahitaji ya ununuzi na watumiaji wa idara moja na nyingine ndani ya taasisi moja. Kwa urahisi wa kuwezesha baadhi ya idara kufanya majukumu yao ya kipekee kwenye mfumo, idara zinazofanana kwa mfano PMU, Ukaguzi, Sheria na Uhasibu hupewa namba za utambulisho zinazofanana kwa taasisi zote. Namba za utambulisho zinazotolewa kwa idara katika mfumo wa NeST hazina uhusiano na cost centre codes zinazotumika kwenye mifumo ya kibajeti. Hata hivyo, namba hizo zinatumiwa katika kufanya mapping ya idara na cost centre ili kusaidia mfumo kuvuta bajeti za ununuzi kutoka mifumo ya kibajeti.

Kwa taasisi nunuzi zenye ofisi za Makao Makuu na ofisi ndogo, na wanaotaka ofisi ndogo zijitegemee kwenye ununuzi, mfumo unawezesha usajili wa ofisi hizo ndogo kama taasisi nunuzi kasimiwa za Makao Makuu. Taarifa za msingi na idara za ofisi ndogo

zinahitajika ili kufanikisha usajili wa ofisi hizo ndogo katika mfumo wa NeST. Mfumo umekusudiwa kuwezesha ununuzi katika ofisi ndogo kufanyika kwa kuzingatia ukomo wa thamani uliowekwa na taasisi nunuzi au kwa mujibu wa kanuni za ununuzi wa umma.

Baada ya usajili wa taarifa za msingi na idara, kila taasisi nunuzi inakaribishwa kuwasilisha taarifa za maafisa Tehama wawili ambao watasajiliwa kuwa wasimamizi wa mfumo wa NeST kwa taasisi yao. Taarifa za wasimamizi wa mfumo zinaweza kuwasilishwa kwenye dawati la msaada la mfumo kupitia barua au baruapepe, taarifa hizo ni pamoja na majina matatu, namba ya utambulisho ya mfanyakazi, taaluma, vyeo, namba ya simu ya mkononi na baruapepe yenye kikoa cha Tanzania yaani (.tz).

Wasimamizi wa mfumo hutumiwa kiunganishi cha kuhuisha akaunti zao kwenye baruapepe zilizosajiliwa kwenye mfumo, baada ya kuhuisha akaunti, kiunganishi hicho hakiruhusu kutumiwa tena kuufikia mfumo. Badala yake, msimamizi wa mfumo anapaswa kuingia kwenye mfumo kwa kupitia dirisha rasmi la kuingia kwenye mfumo. Baada kuingia, mfumo utamuongoza afisa Tehama husika kwenye sehemu ya usimamizi wa watumiaji ambapo kwanza utamtaka akamilishe taarifa za msingi za taasisi nunuzi, kuweka nembo ya taasisi kama ni tofauti na nembo ya Taifa (Bibi na Bwana). Baada ya hapo mfumo utamuongoza Afisa

Mambo ya kuzingatia katika mfumo wa NeST 2

Inatoka Ukurasa 3

Tehama kusajili watumiaji wa taasisi nunuzi katika mtiririko ufuatao, Afisa Masuuli, Mkuu wa Kitengo cha Ununuzi, Mhasibu Mkuu, Wakuu wa Idara, Maafisa Ununuzi, Watumishi wa Idara za Sheria, Ukaguzi, Uhasibu na idara zingine tumizi.

Ni muhimu kuzingatia kuwa wakuu wa idara zote isipokuwa Mkuu wa kitengo cha usimamizi wa ununuzi na Uhasibu wanapaswa kusajiliwa katika sehemu ya wakuu wa idara. Meneja wanaosimamia sehemu chini ya idara kwa sasa wanatakiwa kusajiliwa katika sehemu ya watumishi wa idara ya ununuzi, tumizi, ukaguzi, sheria na uhasibu kwa kuzingatia idara zao.

Ni muhimu Afisa Tehama kuwa na namba za usajili wa kitaaluma za Mkuu wa Kitengo cha Ununuzi na wataalamu wengine wa ununuzi na ugavi. Aidha, anapaswa kuwa na namba za utambulisho za kila mtumishi anayepaswa kusajiliwa kwenye mfumo.

Ni muhimu kutambua kuwa siyo lazima kusajili watumishi wote wa taasisi nunuzi katika mfumo, badala yake usajili unaweza kufanywa kwa watumishi ambao wanaweza kuwa na majukumu ya kufanya katika upandishwaji wa mahitaji ya ununuzi, upangaji wa ununuzi, uanzishwaji wa ununuzi, michakato ya tathmini, upekuzi wa mikataba na utekelezaji wa mikataba.

Wakati wa usajili wa watumiaji wa mfumo, baruapepe zinazokubaliwa na mfumo ni zile za serikali tu zenye kikoa cha Tanzania.

Ili kukamilisha usajili wa kila mtumiaji, ni muhimu kujaza taarifa sahihi zinazohitajika kwa kila mtumishi, mfumo hauruhusu kuhifadhi taarifa za mtumishi iwapo baadhi ya taarifa hazijaingizwa.

Mfumo hauruhusu kurudia kutumia namba ya utambulisho wa mfanyakazi (check number) na baruapepe iliyokwisha kutumiwa kumsajili mtumishi mmoja kutumika kumsajili mtumishi mwingine.

Vilevile, check number na baruapepe za mtumishi aliyekwisha sajiliwa kwenye idara au taasisi fulani haziruhusiwi kutumika kumsajili mtumishi huyo kwenye idara au taasisi nyingine.

Ili kuongeza uwajibikaji ni vizuri sana watumishi wakasajiliwa kwa baruapepe zenye kutaja majina yao badala ya zile za vyeo kama dpmu@nest.go.tz.

Msimamizi wa mfumo anaweza kumfuta au kuhuisha taarifa za mtumishi ambaye bado hajahuisha akaunti yake; iwapo mtumishi ameshindwa kuhuisha akaunti yake kwa kukosa kiunganishi, msimamizi wa mfumo anaweza kumtumia kiunganishi kingine. Iwapo unahitaji kuhuisha taarifa za mtumishi ambaye ameshahuisha akaunti yake tafadhali wasiliana na dawati la msaada wakusaidie.

Iwapo mtumishi amehamishwa kutoka taasisi moja kwenda nyingine, na alipotoka nafasi yake inapaswa kuchukuliwa na mwingine tafadhali

Mambo ya kuzingatia katika ununuzi...2

Inatoka Ukurasa 4

wasiliana na dawati la msaada kusaidiwa kumtoa aliyesajiliwa awali ili uweze kumsajili mwingine.

Kwa mtumishi anayehamia kutoka taasisi nyingine, anaweza kusajiliwa kwenye taasisi mpya kwa kutumia baruapepe mpya, hata hivyo ni muhimu kuwasiliana na dawati la msaada ili wafute taarifa zake katika taasisi aliyotoka.

Iwapo kuna mabadiliko ya nafasi ya mtumishi, kutoka afisa kuwa mkuu wa idara, au mkuu wa idara kuwa afisa, au uhamisho kutoka idara moja kwenda nyingine au uhamisho kutoka mkoa mmoja kwenda mwingine, tafadhali wasiliana na dawati la msaada kwa usaidizi zaidi.

Kwa taasisi zenye ofisi ndogo za kiununuzi, iwapo kuna upungufu wa watumishi wanaotakiwa kuhudumia idara za Sheria, Ukaguzi na Ununuzi unaopelekea kuhitaji baadhi ya watumishi hao kuhudumia zaidi ya ofisi moja, maombi yawasilishwe kwenye dawati la msaada ili kuwezesha watumishi hao kuhudumia ofisi zaidi ya moja.

Kwa idara zenye mtumishi mmoja, ambaye siyo mkuu wa idara, ni vizuri mtumishi huyo akasajiliwa katika nafasi ya mkuu wa idara ili kumuwezesha kuanzisha na kuwasilisha mahitaji ya idara yake kwa kitengo cha ununuzi moja kwa moja ili asikwame kwa kukosa mkuu wa idara kwenye mfumo.

Ni muhimu sana msimamizi wa mfumo kuhakikisha kuwa amewasajili watumishi katika idara sahihi, ili kuondoa tatizo la watumiaji kutokuona mahitaji ya idara zao wakati wa kuanzisha zabuni kwa kosa la kumsajili mtumishi wa idara moja katika idara nyingine. Watumishi wa taasisi nunuzi, hawawezi kujisajili wenyewe kwenye mfumo wa NeST badala yake wanasajiliwa na msimamizi wao wa mfumo.

Baada ya kusajiliwa, watatumiwa kiunganishi cha kuhuisha akaunti kwenye baruapepe zao, baada ya kubonyeza kiunganishi hicho na kuufikia mfumo, utatumiwa namba maalumu (OTP) kwenye namba ya simu ya mkononi, ukiingiza namba hizo kwenye mfumo, utapewa fursa ya kutengeneza namba ya siri (nywila) ya kuingilia kwenye mfumo.

Zingatia vigezo vya kutengeneza nywila imara vilivyoanishwa kwenye mfumo na hakikisha unakumbuka na kuitunza kwa siri nywila yako. Baada ya kuhuisha akaunti, tafadhali ingia kwenye mfumo kwa kutumia kitufe kilichoandikwa Login pembeni ya kitufe cha usajili wa wazabuni.

Kwa watumiaji wa taasisi nunuzi waliojisajili kama wazabuni kimakosa, wanapaswa kuwasiliana na dawati la msaada kwa maelekezo zaidi. Baada ya kuingia kwenye mfumo, utatakiwa utengeneze saine yako ya kidijitali itakayotumika kusaini

nyaraka mbalimbali katika mfumo kama vile barua, tamko la mgongano wa maslahi, kiapo cha maadili, sera ya matumizi ya mfumo, ripoti za tathmini, majadiliano nakadhalika. Saine hiyo ya kidijitali inaweza kuwa ni namba au mchanganyiko wa namba na maneno na kwa maana nyingine ni nywila yako ya kusaini nyaraka mbalimbali kwenye mfumo.

Baruapepe, nywila ya kuingilia kwenye mfumo na nywila ya kusaini nyaraka ni taarifa za msingi za kila mtumiaji wa mfumo wa NeST, hivyo zinapaswa kutunzwa na mtumiaji husika.

Iwapo umesahau nywila ya kuingilia kwenye mfumo, tafadhali wasiliana na msimamizi wako wa mfumo akuelekeze taratibu za kujitumia kiunganishi cha kubadilisha nywila.

Aidha, kama umesahau nywila ya kusaini nyaraka unaweza kutengeneza nyingine kwa kufuata maelekezo utakayopewa na msimamizi wa mfumo.

Majukumu ya msimamizi wa mfumo wa NeST ni kusaidia usajili wa watumiaji wa taasisi yake, kuwaelekeza namna ya kutumia mfumo, kutatua changamoto zao kwa kushirikiana na dawati la msaada.

Baada ya kuona mambo ya kuzingatia usajili wa taasisi nunuzi na watumiaji wake, wiki ijayo tutaendelea na upandishaji wa mahitaji ya ununuzi na upangaji wa ununuzi.
